Lloyd Loom

Lloyd Loom fabrication is an ingenious process in which a very fine stainless steel wire is wrapped with craft paper. The covered wire is then woven into a mesh on special looms. The weave is then used in the fabrication of the SANTORINI range. The natural coloured loom is then sprayed to black or white and then sealed.

Ella Large
Bevelled Glass
Large: 410mm x 300mm x 530mm(H)

Victoria - Ball
370mm dia x 550mm(H)

Victoria

Individual panes of framed bevelled glass are laboriously soldered together using traditional methods and tools to achieve these antique shapes. Each pendant has its own unique signature. Minor blemishes add to the character of these hand made pieces.

Victoria Stepped
280mm x 280mm x 440mm(H)
